Lord Jesus, as we kneel before your manger in adoration, let our first Christmas words be: thank you. Thank you, Gift of the Father, for coming to save us from our sins.

You come as a baby because babies are irresistible and adorable. You come as a baby because you want our first impression of God incarnate to be that of one who does not judge. How we long to be united with you in every way.

May we love you always, at every moment, with all our heart, soul, mind and strength.

May your Presence, Prince of Peace, bless the world with peace, the poor with care and prosperity, the despairing with hope and confidence, the grieving with comfort and gladness, the oppressed with freedom and deliverance, the suffering with solace and relief. Loving Jesus, you are the only real joy of every human heart. We place our trust in you.

Bless each and everyone who kneels before you at this manger. May your grace and peace, your joy and protection come upon each and every one this Christmas.

Amen.

*A Blessed and Happy Christmas to one and all!  
Father Duncan, Parish Priest*
